INTRODUCTION. Higher education is leadership education. The values and virtues practised in universities heavily influence the future leaders. Many institutions of higher education show excellence not only in academic subjects, as green campuses, with manifold ethics curricula and in their

Understanding the Need, Basic Guidelines, Content ...

Knowingly or unknowingly, our education has become skill-biased. There is almost no input on values. We are currently so focused on providing skills to do things, to prepare people for profession or jobs that in spite of tremendous achievements of science and technology, we can observe: 1. Lack of mutual feelings in relationship with human
